The CBA runs on a fiscal year starting July 1st, 2009 though June 30th, 2010. The membership payment is based on the annual gross revenue(s) for your station(s) or group of stations by market size*. The dues structure is listed below. You may choose to pay annually, semi-annually or quarterly. Please calculate your station(s) or group membership payment using the information listed below. Please note the caps on membership dues for groups within in the same market size.

***Groups owning more than one station within a market size can add the gross revenues for all stations. Market sizes are defined in the yellow box below.**
