

CREDITS & ENTRANTS

Credits will be engraved/printed on awards/certificates.
Entrants are for system tracking of entries and internal communications.

A "credit" is someone who participated in the creation of the submission (*i.e. producers, editors, hosts, anchors, etc.*). Names submitted in the "CREDITS" box of an entry form will be engraved on plaques or printed on certificates.

CHECK YOUR WORK!

Names will be engraved and/or printed as submitted. Corrections will only be made at the entrant's cost.

The "entrant" is the individual submitting the entry. An entrant will NOT be included in the "credits" if they do not also enter their name in the "CREDITS" box of the entry form.

The Entrant is the individual the CBA will seek for all communications surrounding their entries or the awards. For every entry submitted, you MUST add yourself as the entrant. This process is made quicker by using the "ADD ME" button on the form.
