Reason Nominee Should Be Chosen:

Peter is probably the only radio personality in Denver who has been on the air continuously for over 50 years. His shows have always been among the highest rated no matter what station he was on. His mix of information, opinion and entertainment are what made him one of Denver's longest serving and highest rated personalities. He is more than a talk host as he has continuously dug into stories as a reporter looking for unknown information. He has never been afraid to ask tough questions of his guests which have included elected and appointed government officials and business and community leaders.
